AFTERSCHOOL ENRICHMENT PROGRAM

Student Data Permission Form

Private Industry Council of Westmoreland/Fayette, Inc.

You have enrolled your student in the PIC Enrichment Program's 21st Century Community Learning Centers program. This program is funded in part by a 21st Century Community Learning Centers grant through the Pennsylvania Department of Education (PDE). Our use of this funding for the program requires that we report certain results to the PDE, including academics, attendance, discipline, behavior, activity participation, and classroom performance. In addition to compliance with reporting requirements, use of these data assists program managers to make informed decisions about program adjustments and improvements, matching students with needs, program sustainability, and program replication in other sites. Our reporting of positive student results may increase our chances of securing continued and additional funding to operate this program.

While the program will collect and maintain information about your student's participation and attendance at our program, there are certain data that the Private Industry Council must collect from your child's school. These data include:

- School Attendance & Tardiness**
- Student Assessment Data (i.e. IEP, PSSA, Keystone, etc.)**
- Report Card Grades**
- Feedback from Teachers and Administrators**

Enrichment Program's plan to safeguard student, teacher, and school data can be obtained from Youth Supervisor, Suzi Bloom at 724-836-2600 ext. 218

All information collected will be restricted and used solely for serving student needs and approved program evaluation purposes. Each staff member who has access to data receives proper training and ongoing updates on the importance of confidentiality of the data, including the specifics of the Family Educational Rights and Privacy Act (**FERPA**). Information can be found at USDE's FERPA page: <http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>.

The Private Industry Council will not release under any circumstances, identifiable information to any other person or organization without written consent from the student, parent, or individual. According to FERPA, the following information is considered "directory" information and may be disclosed without consent: students' name, address, telephone number, date and place of birth, honors and awards, and dates of attendance.

With my signature, I authorize the Private Industry Council to collect and maintain data for my student named below for the purposes of matching my student to services and for program evaluation and reporting. I understand that my student will not be identifiable in any reports to entities or individuals outside of the Private Industry Council.
